The Dewan however directed that the papers be placed before his successor. The Dewan approved of this modified proposal and a reply was sent accordingly in this office

Office of the Sri Venu Gopala Krishnaswami Temple Committee

Malleswaram, Bangalore,

21st. March 1913.

1659

From

S. Venkata Ramgainganga Esquire,

President, Sri Venu Gopala Krishnaswami Temple Committee

Malleswaram, Bangalore.

To

G. Aravamudu Iyengar Esquire, B.A., B.L.,

Mwzrai Superintendent and Ex-Officio Under Secretary

to the Government of H.H. the Maharaja of Mysore,

Mwzrai Department, Bangalore.

Sir,

With reference to the correspondence ending with the General and Revenue Secretary's endorsement No. 465- Mwz. F. 40-11-2, dated 23rd August 1911, stating that the grant of Rs 1890 to meet the cost of constructing verandahs on the remaining three sides of the Temple was not possible from the State Grant of the year 1911-12, flag X

SL 1911.7.645-09. flag T

I have the honour to state that in my letter dated 29th April 1910, I have explained fully that on my application dated 19th March 1909. the appropriation for the above

9.11.7.482-08 flag Z

purpose had received the sanction of the then Council.

2. As noted in Government Proceedings no. 3797-800½-Mwz. F. 36 of 1896, dated 12th March 1906, the above Temple was inaugurated in August 1902, in commemoration of the Installation of H. H. the Maharaja Krishnaraja Wodeyar Bahadur G.C.S.I.

3. I have reported in my previous letters that the expenditure incurred for construction, inauguration and consecration, amounted to Rs 15,572-0-4, out of which Rs 11,797-0-4 were met by private subscriptions, and Rs 3775/- by grants from Government. This expenditure does not include the cost of the car, the various metallic vahanams and prabhavalees, chatrees, chamaras, suryapanas, Vajrangees, crowns, jewels, electric lights, washington lamps, &c, supplied to the temple by votaries

4 I have also reported that the only works remaining to be executed on account of the temple, are the aforesaid verandahs and the tower over the Mahadwaram. The verandahs are urgently needed not only for daily circumambulation by

devotees, but also for processions of the Deities during the rains, and for Santarpane celebrated in the Temple on special occasions

5. I have further explained that the private subscriptions amounting to Rs 11,797-0-4 are more than could be expected for constructing a new temple in a small Extension like Malleswaram; and that in order to make the Government grants equal to the private subscriptions, a sum of Rs 8022-0-4 remains to be contributed by Government.

6. Under the above circumstances, I beg that you will be so good as to move the Government to sanction from the current years Muzrai Budget the said sum of Rs 1890/- being the estimated cost of the verandahs on the remaining three sides of the temple. The estimate has already been submitted to your Office with my letter of 19th March 1909.

I have the honor to be, Sir,

Your most obedient Servant,

Venkatadangayangalu

President, Sri Venugopala Krishnaswami Committee
Malleswaram
